My Career Choices Rubric

Module 3 Authentic Assessment

	20 points	15 points	10 points	5 points
Completeness	The name of each career is included on every slide. Training and education needed, earnings, and job outlook are included and accurate. At least five jobs tasks are well explained.	The name of each career is included on every slide. Training and education needed, earnings, and job outlook are included and accurate. Five jobs tasks are explained.	The name of each career is included on every slide. Training and education needed, earnings, or job outlook is missing important information. Four jobs tasks are explained. Information is generally accurate.	Several pieces of information about each career are missing. Less than three job tasks are included and/or content is confusing and contains more than three factual errors.
Career Preference	Holland Code is clearly stated on the title slide. Presentation presents career choices in order of preference. Clearly and insightfully state why each career choice is appropriate for you and what you learned about yourself.	Holland Code is clearly stated on the title slide. Presentation presents career choices in order of preference. State why each career choice is appropriate for you and what you learned about yourself.	Holland Code is clearly stated on the title slide. Presentation presents career choices in order of preference. Information on why each career choice is appropriate for you is unclear. What you learned about yourself is unclear.	Holland Code is not clearly stated. Presentation does not present career choices in order of preference. Do not state why each career choice is appropriate for you. What you learned about yourself is missing or very unclear.
Sequencing of Information	Information is organized in a clear, logical way. It is easy to differentiate one career from the others.	Most information is organized in a clear, logical way. One slide or piece of information seems out of place.	Some information is logically sequenced. An occasional slide or piece of information seems out of place.	There is no clear plan for the organization of information.
Use of Graphics and Supporting Resources	Use of graphics and color is appropriate to the content and supports the topic of the presentation.	Most of the graphics and color are appropriate and support the topic of the presentation.	Some of the graphics and/or color choices are not appropriate.	Use of graphics and color detract from the content of the presentation.
Spelling and Grammar	Presentation has no misspellings or grammatical errors.	Presentation has 1-2 misspellings, but no grammatical errors.	Presentation has 3-4 grammatical errors and/or misspellings.	Presentation has more than 4 grammatical and/or spelling errors.
