Other Poets of the Renaissance

John Donne

John Donne

Ben Jonson

Amelia Lanier

John Donne

As a young poet, John Donne wrote passionate and intriguing love poems, often under the support of wealthy patrons. He studied at Oxford and Cambridge but never received a degree, possibly because he refused to compromise his Catholic beliefs. In later life, he became the Dean of St. Paul's Cathedral in London and authored popular sermons and meditations.

Amelia Lanier

Other Poets of the Renaissance

John Donne	<h4>Amelia Lanier</h4> <p>Amelia Lanier was an advocate for women's rights. Although she had ties with the royal court, she lived a humble life after marriage. In 1611, Lanier published a volume of poetry, establishing herself as one of the first female professional poets in England. In her writing, Lanier advocated for women's equality with men and questioned the portrayal of women in the Bible.</p>
