

Module 9: Amusons-nous!

Topic 1 Content: What do you do each season? Notes

Introduction

What do you do each season?

Introduction

What activities do you participate in each season? As you know, different sports and outdoor activities vary with the weather because of the seasons. You would not go skiing in the hot summer sun! In this interactivity, learn how to ask someone what they do during the different seasons. Click **NEXT** to begin.
