In the Numbers: Smoking Facts

1 Introduction

Here are some statistics about smoking. It is hard to believe how high these numbers are. Make a promise to yourself to not become one of these statistics, and choose to be tobacco free.

2 Your life and your health are too important to have to deal with the health problems that you will face if you become a smoker.

The infographic features a dark background with a hand holding a lit cigarette on the right side. On the left, there are five large numbers (1, 2, 3, 4, 5,000,000) each accompanied by a small circular icon with a plus sign. A white text box is overlaid on the numbers, containing the introduction and instructions. The text 'smoking facts' is written in a light font on the right side of the infographic.
