

## Module 5: Avoiding the Repair Shop: Risk Management

### Topic 2 Application: Reacting to Violence Discussion Rubric

	20 Points	15 Points	10 Points	0 Points
Initial Discussion Posting	The initial post is well developed and the scenario uses at least three violence cues/warning signs and information about who is involved.	The initial post fully addresses all aspects of the scenario; however, it does not fully develop each of the required violence cues/warning signs.	The initial post provides a very basic scenario that shows a lack of necessary details.	The initial post does not address all aspects of the scenario.
Follow-Up Discussion Postings	The follow-up posts demonstrate an analysis of others' posts. They contribute and further the discussion in a meaningful way by repeating the warning signs in the scenario, identifying the type of violence, and providing information about getting help.	The follow-up posts elaborate on other posts, but do not add further comment or provide helpful information.	The follow-up posts are shallow. They do not provide support.	The follow-up posts are off-topic or do not address postings made by other learners.
Demonstration of Content Knowledge	The posts include well-developed ideas and facts which include information that advances the discussion.	The posts include correct facts, but the information lacks full development of content.	The posts repeat information provided by other learners that is relevant, but they contain no original ideas or information.	The posts contain information that is off-topic, incorrect, or irrelevant to the prompt.
References and Support	The posts integrate personal opinions and experiences with factual information, which is referenced.	The posts include personal opinions and experiences combined with some references and facts.	The posts use personal anecdotes or opinions, but include no factual information or references.	The posts provide no support or references for information provided.
Clarity and Mechanics	The discussion posts are clear, concise, and easy to read. They contain no grammatical or spelling errors. The tone is friendly and curious.	The discussion posts are clear and contain valuable information. There are minor grammatical or spelling errors. The tone is friendly and curious.	The discussion posts contain little information and are confusing. There are grammatical or spelling errors. The tone is friendly and curious.	The discussion posts are disorganized and confusing. There are several grammatical or spelling errors. The tone is impolite and/or aggressive.
