### How to View and Print the Review Interactivity Results

Upon clicking the *Print Results* button, you will be prompted to enter your name in the blank field. Click the *OK* button to view the results page.

The screenshot shows a window titled "Marine Organism Classification Review". The main content area features a blue background with a circular frame containing the text "Marine Organism Classification Review". A white dialog box is centered on the screen, containing the text "Enter name" above a text input field. Below the input field is the instruction "Enter your name in the field below:" followed by another empty text input field. A red box highlights the "OK" button located below the second input field. A red arrow points from the text "Name Field:" on the right towards the second input field. At the bottom of the window, there are four buttons: "Retry", "Review", "Print Results", and "Exit".

**Name Field:**  
Enter your name  
in the field and  
click the *OK*

### How to View and Print the Review Interactivity Results (continued)

The results page will be displayed in a new browser window. Your instructor may ask you to submit this page. Three options for saving and/or printing this page include the following:

1. Print the results page to submit it in-person or scan the printed page to create a digital copy.
2. Print or save the results page as an **Adobe® PDF** file.
3. Take a screen shot of the results page to save it as an image file.

#### Marine Organism Classification Review

First and Last Name

Date / Time	Student Score	Passing Score	Result
May 18, 2018 8:50 am	10	70	Fall

#### Marine Organism Classification Review

#	Question	Correct Answer	Student Answer	Result	Points Awarded
1	Swordfish	Nekton	Plankton	Incorrect	0
