

# Assignment Checklist Virginia and United States Government

**Key**

AC: Application of Content, CP: Content Practice, AC: Getting Started, MAA: Module Authentic Assessment, MO: Module Overview, MS: Module Summary, MT: Module Test, S: Summary, WU: Warm-Up

The chart below reflects assignments in the course for which students submit both required and optional work. These learning activities include a variety of assignment types that are assessed by an instructor or the learning management system (LMS). The associated submission folders have been created for these assignments in the LMS. The self-check and review interactivity items listed below have printed results that can be submitted to an instructor if desired.

| Topic/Page In Course                    | Activity Title                                  | Activity Type   | Total Points | Date Completed | Points Earned |
|-----------------------------------------|-------------------------------------------------|-----------------|--------------|----------------|---------------|
| <b>Module 1: Government Foundations</b> |                                                 |                 |              |                |               |
| <b>GS</b>                               | Images of Government                            | Learning Object |              |                |               |
| <b>1.1 WU</b>                           | A World Without Rules                           | Discussion      |              |                |               |
| <b>1.1 CP</b>                           | The Beginnings of Government Review             | Learning Object |              |                |               |
