Government control

The graphic is titled "Goals of the Progressive Movement" and features a clipboard with a checklist on the left and a callout box on the right. The checklist has three items: "Government control" (checked), "Government regulation" (unchecked), and "Elimination of social injustices" (unchecked). The callout box is titled "Government control" and contains the text: "Americans favored a government controlled by the people. During this time, big business and the wealthy dominated political decisions." An arrow points from the callout box to the checked item on the clipboard.

Goals of the Progressive Movement

- Government control
- Government regulation
- Elimination of social injustices

Government control

Americans favored a government controlled by the people. During this time, big business and the wealthy dominated political decisions.

Government regulation

Goals of the Progressive Movement

- Government control
- Government regulation
- Elimination of social injustices

Government regulation

Americans wanted to guarantee economic opportunity through the government regulation of business. This idea challenged the American belief in Laissez-faire economics.

Americans wanted to guarantee economic opportunity through the government regulation of business. This idea challenged the American belief in Laissez-faire economics.

Elimination of social injustices

Goals of the Progressive Movement

- Government control
- Government regulation
- Elimination of social injustices

Elimination of social injustices

The Progressive Movement focused on eliminating social injustices, corruption, and inequality. To accomplish this goal, the Progressive Movement attempted to realign America's political and social order with the ideals of liberty, equality, and the pursuit of happiness.
