

How to Create a Venn Diagram World History II

Venn diagrams show the similarities and differences between two or more items.

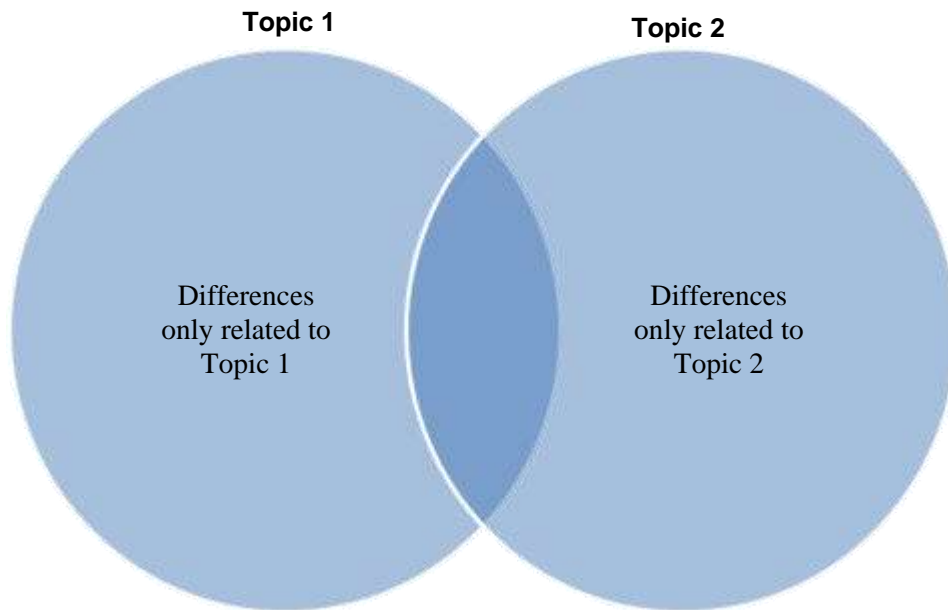

1. Begin by drawing two circles that overlap in the center of the page. Write the name of each topic above each circle.

2. The area where the circles overlap contains the similarities between the two items. Write down similarities between the two topics in this area.

3. In the area outside of the overlapping circles, write down differences about each topic in their designated space.

4. Here is a completed example of a Venn diagram:
